Wharf Temporary Repairs

MATTAPOISETT SELECTMEN'S MEETING JUNE 6, 1989-by VIRGINIA MORGAN

Repairs to the town wharves have been progressing through the efforts of the Highway Department, Wharf Commissioner and Water Department.

The potholes have become dangerous to walkers on the wharves, and Selectmen agreed several weeks ago that something had to be done before the summer season gets in full swing. Selectmen Chairman Bernard F. Talty said at last Tuesday's meeting the repairs are only temporary and that the wharves will need a major overhaul.

With the tight money this year, the Board has taken funds from several department budgets to do the work, the Chairman explained. Some money came from Highway Surveyor Wesley Bowman's Tarring Streets and Roads Accounts; $2,900 from a 1985 Wharf repair Account; $600. for concrete from Wharf Commissioner/Harbormaster Steven Mach's Harbor budget. Some donations have been received from private parties, Chairman Talty added.

A letter from Mr. Gregory A. Russo of Hudson offered suggestions on granting dinghy permits to all the 43 requests made by the May 15th deadline; 35 were selected for permits. He felt a fair solution would be to issue permits to these eight people

A second report from the Building Inspector noted James B. and Vera R. Hunt of New Bedford have been notified they are in violation of State Sanitary Code at their 16 Shore Drive (Harbor Beach) property. Also, there is an illegal pipe which runs into the brook at Hiller's Cove which was seen by Mr. Bobola and Shellfish Constable Brian Nunes. The violation requires immediate attention.

APPOINTED Jeffrey Chase to the Board of Appeals to fill the vacancy caused by the resignation of Sylvia Fales. The recommendation came from the Appeals Board and noted that Mr. Chase has served as an associate since April 1988.

Appeal Board Chairman Jane E. Zychowicz wrote, "During that time Mr. Chase has actively participated in most of our hearings and has proven to be an asset to our board. We feel that the experience and knowledge that he has gained in the past year as an associate member makes him an ideal choice for this position."

June 6 Override Election

POSES NEW PROBLEMS

A stunning blow to the town's operational budget was given at the June 6th election when 866 voters, over 22 percent, defeated the article seeking $448,538.50 to fund the supplemental town budget over and above that budget which conforms to the provisions of Proposition 2½. Water Commissioner Charles A. Morgan said, "We've finally got the land. This is something we should have done years ago."

The only other questions passed were the funds for the state-mandated removal of asbestos from Center, Old Hammondtown Schools and the Old Rochester Regional High Schools. Capital Outlay Expenditures voted were Center School, $74,500, with a vote of 558 yes and 302 no; Old Hammondtown School, $64,800 with 559 yes and 303 no. The ORR High School, $44,180 as Mattapoisett's share, with 530 yes and 330 no.

The Police Department's override request for $26,200 for two new police cruisers was defeated with a vote of 351 yes and 510 no.

Police Chief James F. Moran expressed deep concern on the defeat, saying he intends to send a letter to the Board of Selectmen advising them he will have to reduce patrols by 50 percent. "Instead of one cruiser in each zone at each end of the town, two police officers will be in one cruiser to service the town. This will reduce the mileage, as each cruiser covers 100 miles each shift, 300 miles per day, per car. Cruisers won't last at that rate", the Chief said. He added that the safety van will come off the road July 1st as it's unsafe to drive.

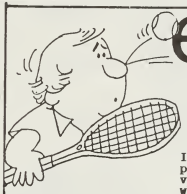
Other defeats on the override questions were $22,500 as a capital outlay expenditure exclusion to purchase a drain cleaner for the Water Department; $10,000 override to prepare engineering plans for recreational areas; and $22,133.97 override to fund the fiscal year 1991 revaluation of property for the Board of Assessors.

The mandated revaluation poses a problem for the Assessors.

Assessor John D. Gibbons explained the rejection of the funds for the 1991 revaluation will not deter the revaluation from being done. "Because it is a state-mandated revaluation, funds will be deducted from the Cherry Sheet receipts before the town receives them. This voter reaction should give legislators notice the public doesn't want this revaluation done every three years. This year it is a computer revaluation. In three years it will be an in-house revaluation at a cost to the town of $150,000."

The two questions relating to bonds for renovation at the high school were both defeated by an overwhelming majority. Both questions needed the three towns in the region (Mattapoisett, Marion and Rochester) to pass the requests by the Old Rochester Regional District School Committee. Rochester defeated both plans on May 24.



eye talk

Q. I remember reading that sports performance can give clues to vision problems. As a coach, what symptoms might I be able to spot?

A. You're right. Symptoms that may appear include playing worse rather than better even after much practice; frequently missing easy plays; squinting; inconsistent performance from game to game; making late game errors; and difficulty playing under lights indoors or outdoors.

Symptoms that might be noticed among baseball or softball players include frequently striking out; swinging too early or too late; missing pop flies; and having difficulty fielding the ball.

If you notice these symptoms, suggest your player get a thorough eye examination covering eye health, vision problems and the vision skills used for sports.

Sometimes, though, there are no clues to a vision problem or a need to sharpen vision skills. That's why regular eye examinations are so important.

Marion voters approved the high school renovations, but defeated the athletic facilities improvements.

The total of $10.5 million from the three towns, with Mattapoisett's share 44 percent, for reconstruction of the high school was defeated 264 yes and 587 no. The total of $1.5 million from the three towns for making improvements to the regional outdoor athletic facilities (Mattapoisett's share 44 percent) was rejected by voters 212 yes and 647 no.

Town Meeting Postponed

Reported by Virginia Morgan

Mattapoisett's Town Moderator R. William Blasdale with his usual wit made an effort to put the 143 voters at the Special Town Meeting last Wednesday in a good mood after Tuesday's election defeating the town operational budget. "You will notice our new positions down from the stage to the main floor with the tables; we are sinking rapidly after yesterday's election."

Of the 11 articles on the warrant, voters consented to postpone nine of the articles until 7:30 p.m. Tuesday, June 27th, until such time the Selectmen have had the opportunity to discuss possible budget cuts with each department head.

Moderator Blasdale said, "To bring you up-to-date, the actions taken at the annual town meeting in May were dealt a serious blow in yesterday's election. It will throw a different cast on tonight's meeting to vote intelligently. The Selectmen recommend articles 3 and 4 on asbestos removal be taken out of order. We can vote on these and

take no more action tonight. When we come back on June 27 it will give the Selectmen and Finance Committee time to assess the impact of yesterday's action at the polls and put in context those votes."

Selectmen Chairman Bernard F. Talty said "We will have to assess the situation by getting together with department heads individually and go through each budget, starting Tuesday evening. The meetings will be open to the public and we will discuss the most important ones first, such as the schools and police." He noted the town of Marion tabled a small portion of the ORR District School Committee budget of $90,000. "Our portion would be about $34,000 less." Also, the local school committee budget is slightly higher than last year, he added.

The Chairman continued, "We don't know the full extent of what we have to do. Local aid from the state may be level-funded, but not quite level-funded. We have forecast less money from the state this year, but we don't know. There may be an amendment to increase local aid, but we aren't counting on it."

Comments from voters included: Why can't we vote on Article 6 on the Waterfront Enterprise Fund as it is not a money article. Chairman Talty said it could be acted on but could have an effect on the general

"I don't feel it's prudent to do that at this time."

A voter asked if we can come up with a new budget to vote on. Chairman Talty said "We will have to come up with a new budget. The present fiscal 1990 budget voted at the annual town meeting is about $6 million, less the overrides. Yes, we can go for another override."

we vote on the ballot as soon as possible after town meeting. You lose something in interest of the public. Town Administrator Lois K. Ennis said "we set up the election as soon as we know which articles are passed at the town meeting to put on the ballot. The election has to be advertised and ballots printed."

Moderator Blasdale noted the rules are changing and the Selectmen may decide to change the ways the ballot is set up.

Richard E. Chase commented that perhaps the budget override was shot down because it was a lump sum; maybe if it was broken down it would help. Town Counsel Donald J. Fleming said it is a legal problem on the wording.

Other comments from voters - I feel the public needs to be more informed on what they are going to lose. Chairman Talty said under Proposition 2½ there are certain rules saying Selectmen cannot campaign for certain cuts. "Now we can sit down with boards to discuss with them where cuts will have to be made."

The two articles taken out of order on asbestos removal passed with little discussion, except Mr. Chase asked if there were any bids, if not, perhaps less money

will be needed. Mattapoisett School Committee member Maureen Best and ORR School Committee member Dr. M.C. Rosenfield agreed the funds requested are rough estimates and are based on engineering specifications. "We will accept the most appropriate bid", they agreed. The sum of $139,300 was voted for Center and Old Hammondtown Schools and $44,180, Mattapoisett's share of the $100,000 for the ORR High Schools.

The remaining articles on the warrant cover unemployment compensation, firefighters' indemnity, town engineer, waterfront enterprise fund, conservation preservation easement acceptance, water pipe replacement and rape crisis clinic.

Budget Press Conference

Reported by Virginia Morgan

A special press conference was called by the Board of Selectmen on Friday, June 9, to inform the public of its plans over the next three weeks to reduce the town's operational budget and how the town can operate at a reduced level.

A special town meeting will be held at 7:30 p.m. Tuesday, June 27th, to present to voters the results of the sessions with department heads and committees to level fund their departments and to reduce all

non-essential services.

A special election will be held on June 28th to vote on one question - to accept a $373,538.50 operational budget override. If this doesn't pass, Selectmen will have no option but to reduce services. The figure is less than the original override due to more state aid than expected.

Selectmen Chairman Bernard F. Talty and Selectman William F. Hubbard (Selectman John N. DeCosta was on vacation) called the press conference after the defeat Tuesday of the operational town budget override. Selectmen are still shocked by the rejection and say budget cuts are unavoidable. Chairman Talty explained 75 percent of the budget is for fixed charges, such as contract wages, state-mandated costs, debt service, Blue Cross insurance, public safety and health care. Of the 25 percent flexible costs they have to define and break down the essential from the non-essential services they can eliminate or reduce.

Selectmen agreed the proposed cuts are not threats and that every department will be affected. There is a possibility of reduced hours or wage freeze, rather than laying off a person. The Board stressed the Old Rochester Regional District School Committee budget cannot be touched to cut.

State funding is expected to be level funded, but the level funding is much less than they hoped to get. They said they are quite sure we can expect $356,617 in Chapter 70 money, the same as last year, and $125,802 in additional assistance. "We may not know until the second week in July what our town local aid allocation will be."

On Tuesday, June 13th, the first of 3 sessions will be held with two department heads. The first will be the Mattapoisett School Committee who will be asked if they are level funded and deduct the $179,000 increase over the 1989 budget, how will it affect its operation. The second, the Recreation Department, including the town beach, will be represented. "We realize the disappointment and hardship it would be to close the beach, but it is not an essential service," Selectmen noted.

On Wednesday, June 14th, the Board will meet with the Board of Health to discuss the rubbish contract and the District Nurse. The Board recently signed a $64,381 rubbish collection contract with a new company. The Police Department and ambulance service will also attend. The police department's reduced budget could put the opening of the new police station in jeopardy because of

costs relating to its operation. The third department attending will be the Council on Aging, which perhaps could operate on reduced hours or volunteer help, the Selectmen noted.

On Tuesday, June 19th, the Highway Department, Tree Warden, Shellfish Department and harbormaster will attend. "We will listen to any fixed charges these departments have to pay. We don't know what it will total if we level fund all departments. We still may have to eliminate services."

Other areas highlighted by the Board for reduction or elimination include: printing and mailing town reports; salaries and wages in the harbormaster/wharf commissioner department; care of shade trees; shellfish propagation expenses; out-of-state travel for the local school committee, highway department and water department; public health nurse, library, recreation, town landing expenses and the Community band.

Selectman announced all appointments and non-essential business will be cancelled during the next three weeks' Selectmen's meetings.

Fellowship Award to O. Harris

The Tri-Town Men's Fellowship will make its 1989 "Joe Tomlinson Fellowship Award" following the 8:30 a.m. breakfast on Sunday, June 18th. The person is selected for the award for having given unselfishly of themselves in other than their field of employment and for no financial or personal gain. The award is made by the Men's Fellowship to nominees within the "tri-town" area irrespective of age, sex or religious affiliation.

The recipient of this year's award is Olive E. Harris of 62 Front Street, Mation. "Following an active career in family counseling and services to the Red Cross and the City of New Bedford, Ms. Harris has in retirement given of herself to church and community projects," according to Charles Close, the awards committee chairman. Ms. Harris has chaired such projects as the Household Hazardous Waste Committee, Beach Grass Planting, Open Space Land Bank Study, and Waste Recycling Committee. She has also been active with the League of Women Voters and various other church and civic groups.

Former "Joe Tomlinson awards" were made to Dr. Davis Gallison, Mr. Richard Arthur, Mrs. Mary MacLean, and Mr. Ralph Wardle. Ms. Harris is a graduate of Boston Uni-

Rochester Council on Aging

ROCHESTER VOLUNTEERS HONORED

On June 2nd 28 Rochester volunteers were honored by the Rochester Council on Aging for their services throughout this past year. A delicious buffet prepared by the Old Colony Culinary Department students under the supervision of Mr. George Gregory was served. Flowers were presented to all participants as a token of our appreciation. Entertainment was provided by 4 students from Old Hammondtown School in Mattapoisett: John Mello on saxophone, David West on trumpet, Douglas Hunt on clarinet and Jeff Sanders on Bass Clarinet. All are students in the school band under the direction of Mr. Ellis.

A special award was presented to Margaret "Peg" Hall for her many years of dedication to the Seniors of Rochester. She served for 12 years on the Council on Aging and was a friendly visitor and driver for many years. Those honored were: Dot and Al Alderson, William Deakin, Bea Gonet, Tuck Hartley, Belle Preston, George

FOURTH GRADE VISITS BANK

On Friday, June 2nd, Mrs. Susan Porter, Security Manager of the Fairhaven Savings Banks, visited Suellen Aiken's fourth grade class at Old Hammondtown School to share her banking expertise with the students. She spoke about various types of accounts. the A.T.M., counterfeit bills, and altered checks. Mrs. Porter discussed the use of safe deposit boxes and demonstrated the proper way to write a check. The students were given a pen and several blank checks for practice purposes. As in the past, the children were very concerned with the security of the bank.

On Friday, June 9th, Ms. Aiken and her students walked to the Mattapoisett branch of the Fairhaven Savings Bank to see the A.T.M., the vaults, and the safe deposit boxes. They also got a chance to use the coin counter and to inspect the security sys-

STUDENTS COLLECT TRASH
IN COASTAL ECOLOGY PROGRAM

Ms. Suellen Aiken and her fourth grade class at Old Hammondtown School stand in awe pointing to twenty-two bags of trash that they collected within 1½ hours at the beach at Shining Tides. Studying Coastal Ecology in their classroom and at the beach, the children now realize how dangerous litter is to humans, but more so to our wildlife. They wanted to help!

Ms. Aiken and the children were amazed at what they found; everything from cloth-

Volunteers Needed

Volunteers are needed to help paint the Tinkhamtown Chapel, Acushnet Road and Tinkham Lane, Mattapoisett on Saturday, June 17th, starting at about 9:00 a.m. Anyone wishing to donate some time during the day will be most welcome. For more information call Howard Tinkham at 758-6249. We will be using white water-based paint. Brushes will be provided, or bring your own. The church will be 100 years old this summer, and this is a great way to get involved in a piece of history.

Mattapoisett Council on Aging

CONSIDER DIRECT DEPOSIT

Over 4 in 10 Social Security beneficiaries are not at home waiting for the mailman on the third of the month. They are visiting, vacationing, taking care of business, or doing whatever else they want to do.

Why? Because they have direct deposit. In other words, they have their benefits deposited directly into their account at a bank, credit union, or other financial institution.

ADVANTAGES OF DIRECT DEFOSIT

Their money is safe. No thefts, muggers, or lost check to worry about. They save time and money. No lines to stand in. No extra gas to buy to go cash the check. The government saves money, too, by paying you this way which means more money is available for other benefits and services.

If you are now getting Social Security or Supplemental Security Income (SSI) checks and want direct deposit, just call the Social Security office. Have available your account number and the name

"Side by Side by Sondheim"

Christopher LeBlanc began his theatrical career at the Marion Art Center many years ago as a member of the Young People's Theater Group under the direction of Nancy Lee Gaucher. Chris won a theater scholarship as a high school student in recognition of his contribution to theater at the Art Center. Chris has been successful in many aspects of theater, and is currently directing ORR's spring production as well as serving in a managerial capacity at the Zeiterion where he has also performed.

It is very exciting to see this young man return to the Marion Art Center as a member of the cast of "Side by Side by Sondheim", a musical made of songs from Broadway's golden age. Chris is joined by Paul Knipler, a well-known entertainer and MAC regular, plus playing the leading man in the "Z";s production of "Forty-Second Street" last summer.

Gateway Players

Oscar Wilde's classic Victorian comedy, The Importance of Being Earnest", continues at the Gateway Playhouse, located behind Town Hall of Route 6, Wareham. Dr. Donald Thomas is guest directing with an all star cast featuring Michael Ventura, Patricia Carhart, Scott Ventura, Sarah Aldrich, Joyce Wirth, Matthew Hill and Raitt Erickson. Costumes are by this year's A.R.T.A. winning designer, Claudia Gray. The Importance of Being Earnest is a must for students of theater and is a chestnut of a trivial comedy for serious people. Performance dates are June 16, 17, 23, 24, 30, July 1, 7, 8 with an 8 p.m. curtain. Tickets are $10., $8., $6.; for reservations call 295-6768.

Mattapoisett Housing Authority

ADVISORY COMMITTEE

The Commissioners of the Mattapoisett Housing Authority (MHA) have initiated the formation of an Advisory Committee to help promote the three state developments for which MHA received a planning grant in 1988. The initial grant of $7,500 has been utilized in hiring a site consultant and preliminary engineer tests in several locations. At the present time no sites have been positively approved for construction. Locations are being reviewed for twelve family apartment units, eighteen units of congregate elderly, and one building to house eight adults with special needs.

This committee is comprised of the following Mattapoisett residents: Andy Bobola, Town Building Inspector; Mr. Doug Griffiths, Medical Director of Adult Services of the N.B. Area Center for Human Services, forensic consultant to District & Superior Courts and House of Corrections, clinical instructor in Psychiatry, Brown University, Griffith is a member of American Psychiatric Association, Mass. Psychiatric Society and American Association of Community Psychiatrists.

Receiving diplomas in 13 different trades were 95 students from Bourne, Falmouth, Marion, Sandwich and Wareham. Ninety percent of the graduates are successfully employed at the present time, or have a commitment for further education or military service.

The Invocation and Benediction was given by Reverend Robert C. Donovan, Pastor of Saint Patrick's Church in Wareham.

Jeannette C. Morani of Wareham, President of the Senior Class, led the Pledge of Allegiance to the Flag, and Celesse A. Hilliard, Editor of the School newspaper, presented the Senior Class Address.

Mr. David P. Sampson, Superintendent-Director, presented awards for outstanding performance in shop and academic studies, citizenship and attendance. Also presented were numerous scholarships. Among the recipients of scholarship awards was Jarrett C. Drake of Marion. Graduating from the Electronics Department, Jarrett has been accepted in the Bachelor of Science program in Computer Engineering at Southeastern Massachusetts University. He is the recipient of the Outstanding Achievement Award in Mathematics, the Wareham Lodge of Elks Scholarship in the amount of $300.00, the

Being in the carpet business for over 10 years does have its advantages. We have found a way to offer a selection as wide as that of our competitors, at lower prices. The "way" is simple. Our costs are lower.
We've noticed that the public tends to assume that bigger "must" be better. In the carpet business, this has traditionally meant that a wide selection and lower prices can only be possible through a large inventory. This simply isn't true.
At Carpet Mart we order, direct from top manufacturers, only the carpets that our customers want. With no major inventory costs, and no middlemen, we are able to pass the savings on to our customers.

Race" for PHRF-NE, was held by the Mattapoisett Yacht Club. This 20+ mile race was a pursuit handicap race with the smaller and slower yachts starting before the larger and faster yachts. There were three divisions racing together. The short-handed division (only 2 or 3 crew) was won by Peter Briggs in Galatea. The PHRF cruising was won by J. Elliott in Yukon Jack over 14 other yachts in that division. The PHRF Racing Division with 14 starters was won by Norm Shachoy in Volunteer which was also the first yacht overall to finish. There were 32 starters for this first time race which will become an annual event.

From Old Colony

TWO SENIORS RECEIVE AWARDS

Two seniors at Old Colony Regional Vocational Technical High School received awards from the Massachusetts Vocational Association. Scott Bindas and Laurie Nunes were recipients of the M.V.A.'s Presidential Recognition award. The award is presented to a limited number of graduating seniors across the state.

The criteria for the award includes a strong record of vocational achievement, outstanding school attendance, motivation in the vocational field, and good citizenship. The intent of the award is to recognize students who best exemplify the traditions of vocational education.

Scott, a Rochester resident, and Laurie who resides in Mattapoisett received the awards at Old Colony's Award Night Ceremony.

CARPENTRY STUDENTS REBUILD CAMP

Students in the carpentry department at Old Colony Regional Vocational Technical High School continue to work hard at rebuilding the Boy Scout Camp in Rochester. The camp building was destroyed by fire last year.

The rebuilding project is a joint venture with materials and resources being supplied by businesses and individuals in the community.

The new structure is larger than the original building. The plans for the building were developed by the Old Colony students. The project is under the direction of Old Colony carpentry instructor Bob Francis.

ELECTS STUDENT ADVISORY COUNCIL

The student body at Old Colony Regional Vocational Technical High School has begun the process of selecting a student to serve on the District School Committee. Recently an election was held to select five students who will serve on the Student Advisory Council to the School Committee for the 1989-90 school year.

Under Chapter 164 of the Acts of 1987, school committees are now required to include a student member as an ex-officio, non-voting member of the school committee. The chairperson of the Student Advisory Council will serve as the ex-officio member.

Elected to serve on the Advisory Council are: Beverly Connor, Susan Kallio, Deann Weston, Kathryn Young, all of Carver, and Tara Medeiros of Rochester.

The Council members will meet in the near future to select both a chairperson and vice-chairperson. The council members are allowed to suggest items for the District Committee agenda each month. The Council members meet with the Assistant Superintendent-Director each month to review the agenda. They also attend each monthly meeting.

The past school year Victoria Camacho of Mattapoisett served on the District School Committee representing the students. Vicki will be graduating in June and is no longer eligible to serve. She will be attending Salem State College in the fall.

COSMETOLOGY RECEIVES DONATION

The Cosmetology Department at Old Colony Regional Vocational Technical High School will enter the computer age as a result of a generous donation. The Wareham Athletic Association recently presented the technical school in Rochester with a check for $2,500.00.

The Cosmetology Department will use the donation to purchase a computer and supporting software which will be used as part of its instructional program. The

SMU Cabaret Theatre

The Southeastern Massachusetts University Summer Cabaret Theatre will present four productions during its 1989 season, which begins on July 6th.

All performances begin at 8:30 p.m. in the SMU Campus Center. Theater director is Angus Bailey.

"Relatively Speaking", a farce written by Alan Ayckbourn, will be presented from July 6 through 9 and July 13 through 16.

"The Man Who Came to Dinner" will be presented July 20 through 23 and July 27 through 30. Written by George Kaufman and Moss Hart, the play is a comedy about a midwestern family's reaction to a visiting celebrity.

From August 3 through 6 and August 10 through 13, the theatre presents "Plaza Suite", three one-act farces written by Neil Simon.

The final production, from August 17 through 20 and August 24 through 27, is "The 1940s Revisited", a look at the songs

ADDITIONAL FY89 FUNDS SOUGHT

A request for supplemental appropriations of more than $1.1 billion for current year needs of the Department of Veterans Affairs has been sent to Congress, according to VA Secretary Edward J. Derwinski.

Derwinski's announcement confirmed action taken by President Bush to seek $303 million in added VA funding based on projected reduced access by veterans to VA hospitals and clinics. Approval by Congress of the budget request would also forestall anticipated shifting of VA funds targeted for facility activation, and equipment purchases and maintenance.

demonstrates the President's commitment to meeting the vital medical care needs of our veterans. I anticipate the Congress will give its swift approval so that we can continue to deliver service with minimal disruption."

In addition to supplemental health-care funding, the President's request includes $701 million for recipients of VA disability compensation and needs-based pension payments. Also sought is an increase of $22 million to meet enrollment growth and improvements in VA readjustment benefit programs. Rounding out the revisions to FY89 spending previously submitted during President Reagan's administration, is a request for $130 million for the VA loan guaranty program -- a reduction of almost $182 million in projected needs based on improved experience in operating the program.

If appropriated, the $1.1 billion supplemental would raise VA's total FY89 budget to $29.2 billion.

Q. Can I use my VA-guaranteed home loan to buy land I plan to build a house on in the future?

A. A VA-guaranteed loan cannot be used to buy undeveloped land unless it is part of a package that includes the building of your home.

Q. Can a veteran receive pension benefits from the VA as well as Social Security payments?

A. Yes. You may collect Social Security and VA pension payments as long

MARTHA'S VINEYARD
YOUR ISLAND NEXT DOOR

The unspoiled charm and proximity of Martha's Vineyard Island make it a favorite getaway. No matter how long your visit, the Island has much to offer anyone looking for a quiet retreat or a fun-filled time. Part of the fun of visiting the Island is sailing aboard the Ferry Schamonchi. Since it departs from historic New Bedford, the Schamonchi offers the convenience of avoiding Cape Cod traffic. You'll sail in comfort during the 1½ hour cruise - roaming three decks or eating at the snack and cocktail bars.

DIRECTIONS

From Route I-195 take Downtown Exit 15 (Route 18 South). Continue on Route 18 to third set of lights, turn left and follow signs to our day and overnight parking lot across the street from the Schamonchi Dock and Billy Woods Wharf. Limited Shuttle Bus Service available to the Elm Street garage.
